2. The number of members in your chapter

 - b. Specific short-term and long-term goals you want to achieve from the activity
 - c. A detailed timeline
 - d. A detailed explanation of specifically how much funding you want from CCA and specifically for what use
 - e. An explanation of what the chapter will contribute in terms of money and labor

WHERE DO WE SUBMIT THE GRANT PROPOSAL?

Submit your proposal to the CCA Membership Committee Chair (who is also the CCA Vice President) at vicepresident@cca4me.org.

WHAT HAPPENS NEXT?

The CCA Membership Committee Chair will share your proposal with the members of the CCA Membership Committee within one week of receipt. The Membership Committee will then review and vote on the proposal. The Committee Chair will get back to you within one week after the Committee votes on your proposal. Usually, the process should take about three weeks from the time your proposal is received to the time you get an answer.

Within thirty days following the conclusion of the activity for which you are being funded, you must send a full report on what you did and the results to the CCA Membership Committee Chair at vicepresident@cca4me.org.

Your report should include the following:

1. All receipts for which you want reimbursement. PLEASE NOTE that you need to submit the names of all who attended the event(s) for which you want reimbursement. This can be in the form of a sign-in sheet or a list of names.
2. The number of people you anticipated attending the event and the number that showed. If you did not get all the people you anticipated then please explain why.
3. Was the event a success? In what way(s)? Did you achieve your goal(s)? If not, why?
4. What was the most difficult thing you faced? What happened that was unexpected?
5. Is there anything else you can share with the Committee that will help its members better determine the grants offered?
6. Include to whom the check should be addressed and the address to where the check should be sent.

The information you provide will be forwarded to the CCA Membership Committee for final review within one week of receipt. If approved by the CCA Membership Committee, the CCA Treasurer will be asked to send the grant check to your chapter. Payment is usually processed within a few weeks.

FAQs:

1. How often can a chapter request funding?
As often as the chapter likes.
2. Can a chapter resubmit a request that was rejected?
Yes! Just make sure you respond to the Committee's concerns.
